Remember, a great contractor will:

- Organize a moving company** that will photograph all your personal items, take inventory of them, store and put them back in exactly the right place.
- Deal with **fighting the insurance company to justify current market pricing** to rebuild your space (your insurance company wants to pay as little as possible).
- Tell you exactly how long you can expect** to be out of your space.
- Guidance on **how to deal with the insurance company and obtaining temporary accommodation** comparable to your own home.
 - Complete the work, arrange for all your personal belongings to be returned and put back in place and have your apartment thoroughly cleaned before you move back in.
